

EDUCATION ON  
IMMUNOTHERAPY OF CANCER

# ITOC EDUCATION WORKSHOP ON CANCER IMMUNOTHERAPY

Presented by the Cancer Drug Development Forum (CDDF):

## “STATE OF THE ART” & ONGOING DEVELOPMENTS IN CANCER IMMUNOTHERAPY

### PROGRAMME

#### FRIDAY, OCTOBER 6, 2017

18:00 Networking session followed by a networking dinner

#### SATURDAY, OCTOBER 7, 2017

09:00 The basics of tumor immunology  
*(Leif Hakansson)*

09:30 Cancer genetics and immune response  
*(Marco Gerlinger)*

10:00 What we learned from immunotherapy in the past years  
*(Paolo Ascierto)*

10:30 Cell Therapy *(Jakob Rudzki)*

11:00 Coffee Break

#### 11:30 Breakout sessions (1)

11:30 Melanoma and Merkel Cell Carcinoma  
*(Group A) (Jean Jacques Grob)*

11:30 Lung *(Group B) (Egbert Smit)*

12:00 Melanoma and Merkel Cell Carcinoma  
*(Group B) (Jean Jacques Grob)*

12:00 Lung *(Group A) (Egbert Smit)*

12:30 Lunch

#### 13:30 Breakout sessions (2)

13:30 Head & Neck *(Group A) (Marco Merlano)*

13:30 Haematological malignancies  
*(Group B) (Clemens Wendtner)*

14:15 Head & Neck *(Group B) (Marco Merlano)*

14:15 Haematological malignancies  
*(Group A) (Clemens Wendtner)*

15:00 Management of toxicity *(Helen Gogas)*

15:30 Biomarkers *(Heinz Zwierzina)*

16:00 Coffee break

16:30 Rationale for combination therapy  
*(Paolo Ascierto)*

17:00 Tumour assessment and response evaluation  
*(Fabio Sandomenico)*

17:30 Round table discussion

18:00 End of the course

## WELCOME TO ITOC EDUCATION WORKSHOP

This introductory course presented by leading faculty in cancer immunotherapy, is designed for clinical oncologists, clinical scientists from industry, regulatory scientists, students and patient advocates.

The course aims at providing an overview of basic immunology principles and the mechanisms and clinical applications of immunotherapy. It will address the state-of-the-art clinical management and future developments.

Attendees will also have the opportunity for professional networking with experts, clinical oncologists and other healthcare providers.

## PROGRAMME COMMITTEE

- **Chairman : Paolo Ascierto**  
*(Istituto Nazionale Tumori, Italy)*
- **Marco Gerlinger**  
*(The Institute of Cancer Research, UK)*
- **Helen Gogas**  
*(Evangelismos Hospital, Greece)*
- **Leif Hakansson**  
*(University of Lund, Sweden)*
- **Rudolf Maria Huber**  
*(Thoracic Oncology Centre Munich, Germany)*
- **Caroline Robert**  
*(Institut Gustave Roussy, France)*
- **Heinz Zwierzina**  
*(University of Innsbruck, Austria)*

## EDUCATIONAL METHODS

- **Plenary lectures**
- **Case-based discussions**
- **Breakout sessions**
- **“Meet the professor” session**

The ITOC education workshop series is supported in part by independent medical educational grants from Bristol-Myers Squibb, Merck KGaA & Pfizer Alliance and Merck Sharp & Dohme, Corp.

OCTOBER 6 - 7,  
**2017**

MUNICH,  
GERMANY

NOVEMBER 27 - 28,  
**2017**

NAPLES,  
ITALY

MARCH 17 - 18,  
**2018**

BERLIN,  
GERMANY

**ITOC**  
EDUCATION

EDUCATION ON  
IMMUNOTHERAPY OF CANCER

## ACCREDITATION INFORMATION

The conference will apply for accreditation with the European Accreditation Council for Continuing Medical Education (EACCME).

Die Bayerische Landesärztekammer (BLÄK) erkennt die ärztliche Fortbildungsveranstaltung zum Erwerb von 9 Fortbildungspunkten (Kategorie A) an.

## SECRETARIAT CONTACT

The Cancer Drug Development Forum (CDDF) office  
Avenue E. Mounier 83  
1200 Brussels, Belgium

Phone: +32 (0)2 775 02 15  
Email: [itoc-education@medacad.org](mailto:itoc-education@medacad.org)  
Website: [www.cddf.org](http://www.cddf.org)

## REGISTRATION FEES

The registration fee will give access to the entire course, to the presentations after the conference, networking dinner, lunch and coffee breaks.

### REGISTRATION FEES PER COURSE:

Registration fees for Academic / Clinicians / Governments / non industry

€ 120

Registration fees for industry participants (limited number of pax)

€ 550

Registration fees for Students

€ 60
